EXPERIENCE

Hands-On TryHackMe Labs | Cybersecurity Practitioner

October 2025 – Present • Bhadohi, Uttar Pradesh, India

- Actively practice cybersecurity fundamentals through hands-on lab environments and real-world scenarios.
- Applied MITRE ATT&CK framework to understand adversary tactics, techniques, and procedures (TTPs).
- Develop proficiency in network security tools including Wireshark, SIEM platforms, and Linux command-line interfaces.

Top 15% in Tryhackme

EDUCATION

Bachelor of Computer Applications – Computer Science

Manipal University Jaipur Online | Expected: October 2027

SOC Live Classes — Defronix Cybersecurity

Currently Attending | Online

- Attending live Security Operations Center (SOC) classes, gaining real-time exposure to threat monitoring, analysis, and incident response workflows.

DCjSP — Defronix Certified Junior Security Professional

Currently Enrolled | Defronix Cybersecurity | Online

- Developing hands-on expertise in cybersecurity fundamentals aligned with industry standards for junior security professionals.

CERTIFICATIONS & LICENSES

Introduction to Cybersecurity - Issued by [Cisco](#)

Pre Security Certificate - Issued by Tryhackme

Intro to Splunk – Issued by Splunk learning
